

What you can't see is costing you.

Diagnose and fix your financial health challenges with transparent reporting and customizable automations:

30%

Increase in billing staff productivity

1-3%

Increase in net collections

10-30%

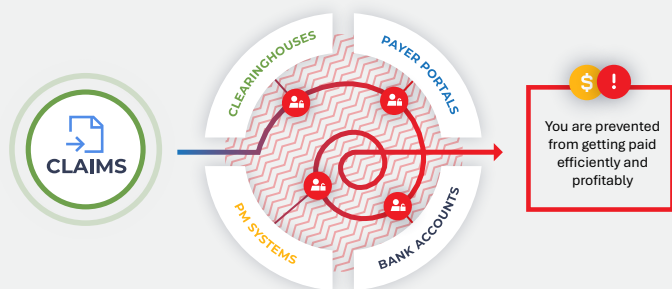

Decrease in AR days from added efficiencies

Spend Less to Earn More

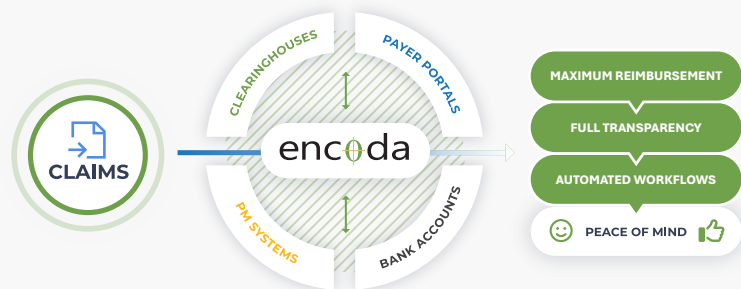

Supercharge the efficiency of your billing team. Leverage automations and insights that reduce busywork, focus billers' time, and help your practice get paid more with less budget—all without changing your Practice Management system.

Just 25%
of practice leaders today
are confident they are getting every dollar they're owed from the payers.

WITHOUT ENCODA

WITH ENCODA

"I can't imagine life in billing prior to Encoda. The amount of information and the additional resources we have has made dealing with billing in our physician group so much easier because we get so much information now."

— LAURIE KEESLER, PRACTICE ADMINISTRATOR FOR ENT ASSOCIATES IN CLEARWATER, FL
