

Check-In,  
Made  
Easy!

patientlink® 360

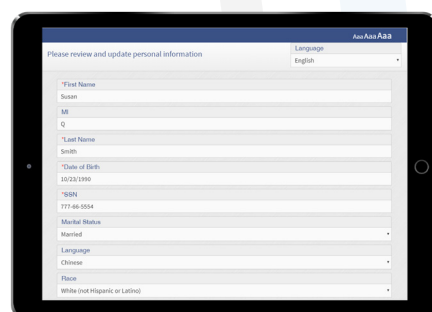

With **PatientLink 360**, checking in for your appointment is simple and saves you time! This will help the check-in process move faster and give your provider all the information they need to give you the best care possible.

## In-Office Check-In With 3 Steps!

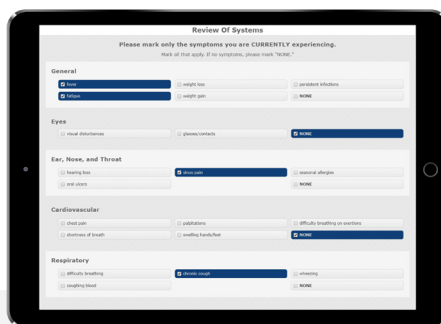

1

Enter your name and DOB  
on given device

2

Verify and/or update your  
Demographic Information

3

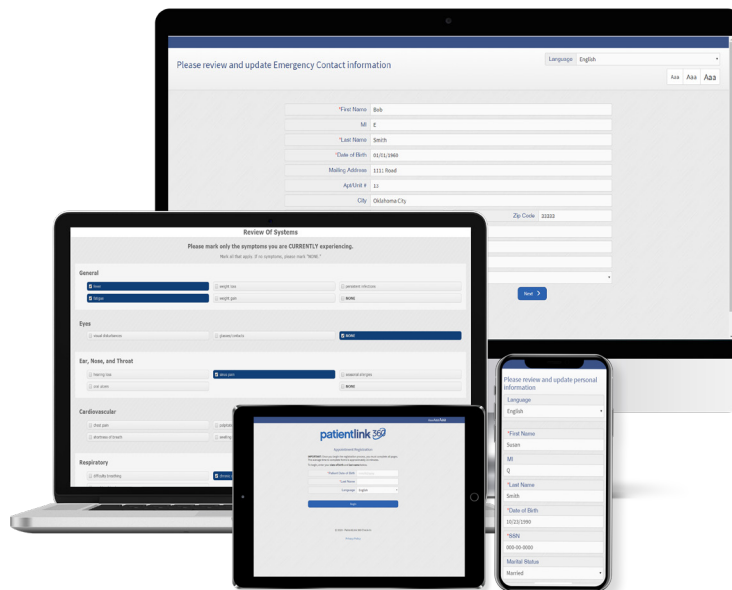

Complete Clinical Intake forms for  
your appointment (if prompted). Once  
completed, you're checked in!

Check-In,  
Made  
Easy!
